THE NEW ELEVEN DOT POST IS COMING

The latest issue of the *eleven dot post* is sure to delight you once again. This year, Wendt & Kühn celebrates its 111th anniversary with the special figurine “Angel with Concert Harp,” which will be crafted exclusively in 2026. Starting on page 11, readers can discover just how much skill is required to craft this figurine in our workshops and to build a “real”

concert harp. We are also continuing a project close to our hearts that we launched in 2024. Find out more about our support for the World Childhood Foundation on pages 12 and 13.

Beginning on page 14, discover the surprising insights revealed by a handwritten Christmas card from the Walt Disney Company archivist, and read about Walt Disney's fondness for Wendt & Kühn figures. Here is a hint: for more than 25 years, they stood on the shelf behind his desk.
